Administration Aids Students

Mr. Albert Jones
Principal

Mrs. B. Hayes
Assistant Principal

Mr. J. Porach
Assistant Principal

Every day many decisions which affect student life at PHS are made in the administrative headquarters supervised by our Principal Mr. Albert W. Jones and our Assistant Principals Mrs. Mildred Hayes and Mr. James Porach, this office is the kernel of all school activity.

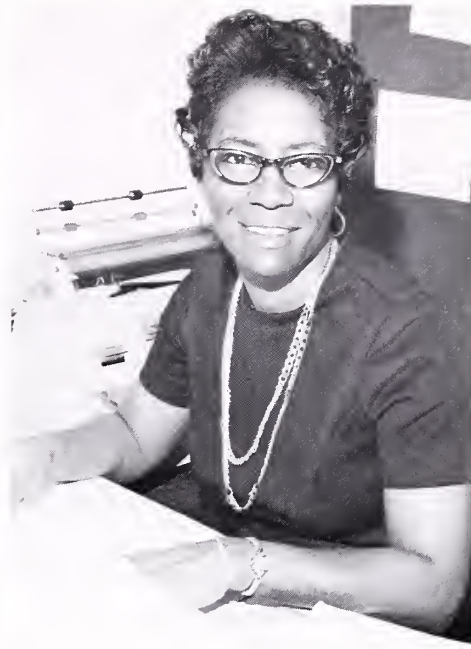

Working with the Student Council and other organizations, the Administrative Personnel worked to solve school problems. Having the intercom system revised has helped both the office and faculty. Annexation was made easier by pre-school tours for new students. Many new activities and clubs were organized for the first time. Seeking new ways of improvement is the constant thought of our Administrators.
